MEMORANDUM FOR: Assistant Director for Operations

SUBJ/MCT: Naval Intelligence Collection
Instructions

1. We hope your NSCID #7 Committee will make arrangements with the Navy so that they won't get too far out of line when following the next to the last section in the attached booklet, 5009 - Contact Register.

2. Does the Navy supply you with a duplicate of its Contact Register? or coordinate with NSCID #7 Committee Exploitation? before or after the fact?

In connection with the definition re espionage to be inserted at the end of Directive No. 5, the State Department is agreeable but thinks that the parenthetical sentence which we had in our last CIA draft should remain -

"This Directive will not be construed to preclude counter-intelligence activities by Military Commands abroad and certain agreed activities by other Departments and Agencies" -
which latter clause State wanted to add at the meeting the other day.
